Player Mat

Place your chips in stacks on the circles to the right.

The game ends once someone gets the game-ending amount, which changes depending on the number of players. You may NOT guard/block your chips with anything, including, but not limited to:

Your arms, a cup, book, the family pet, a box, literal sword, lava moat, a fancy birthday cake, or anything else! They must be open for anyone to attempt to steal at all times.

Points to End The Game				
PLAYERS	3-4	5-6	7-8	
POINTS	23	21	19	

Final 5

Whenever you win either a 1v1 or All Play challenge throughout the game, place the challenge card on the space below.
